

## C303 Cessna T303 Crusader D-IBIS

**230,000.00 EUR**

Aviation Sales International are proud to present this outstanding Cessna T303. The Cessna T303 was a clean slate design by Cessna and was built by their single engine plant hence it has lots of similarities to the Cessna 210 systems. It has fantastic short field performance is a real pleasure to fly. This example benefits from upgraded avionics and low airframe hours. If you are looking at upgrading to a twin then you get a cabin class aircraft with the operating costs of a smaller aircraft.

The autopilot has been upgraded to the latest digital Stec 3100 and coupled to a Garmin GTN750 this becomes a fantastic IFR performer. If you would prefer all glass then it would be very easy for us to install a Garmin G500TxI PFD to the current system with little investment.

# Aircraft details

AIRCRAFT TYPE	Multi Engine Piston
MAKE	Cessna
MODEL	T303
YEAR	1982
REGISTRATION	D-IBIS
AIRFRAME HOURS	4420 TT
ENGINE	TSIO-520-AE
ENGINE HOURS	1650 h
ENGINE POWER	250 PS
PROPELLER	McCauley
PROPELLER HOURS	745 h
ARC DUE	06/2023

# Avionics
