

Piper PA-46-350P Malibu

590,000.00 EUR

Aviation Sales International GMBH are proud to present this stunning example of a Piper PA-46-350P Malibu. The Piper Malibu offers a significant step up in single-engine piston and comfort. It offers a class-leading, club seating cabin giving you true luxury aviation for the fraction of the cost of a jet or turbine aircraft.

Our example comes equipped with a top-of-the-line Garmin glass cockpit, the wonderfully capable Garmin G600PFD is paired with a GTN750, full ads-b in and out, colour radar and autopilot.

In addition to the excellent panel, YR-STM has just 809 hours on its Lycoming TIO-540 engine and just 167 hours on its Hartzell propeller. This aircraft is ready for years of comfortable, cost-effective high performance aviation.
