

PIPER CHEYENNE IIIA N401JT

0.00 EUR

+ EU Vat
SOLD

ASI is proud to present this unique 1984 Piper Cheyenne with 3300 engine hours and perfect equipment.

The interior, with seven passenger and two crew seats, is finished in new dove gray leather with matching carpet. The pilot seats have inserts made of gray sheepskin, which make long flights even more comfortable. The perfectly matched interior is completed with a new ultra leather headliner and perfectly polished woodwork. The two executive desks have card inserts.

For longer flights there is also an on-board toilet which can be separated by a wooden divider. This was renewed in 2020.

The aircraft was painted Matterhorn white with blue gray stripes in 2012. The paint is in good condition.

The cockpit leaves nothing to be desired by the pilot and is equipped with dual G600TXI GTN 750Xi GTN 650Xi. For the copilot side there are Prop Synch Co-Pilot Instruments. The aircraft is also equipped with Dual Heated Windshields, Tip Tank Recognition Lights, Outside Air Temperature, Cleveland Wheels, Brakes Lead Acid Battery Air Cycle Machine and Belted Lavatory Speed ??Stacks.

In addition, traveling is upgraded for your guests with a cabin entertainment system. Even larger pieces of luggage can be transported thanks to the cargo door.

We look forward to your inquiry about this beautiful aircraft.
