

PA28-181 Archer III D-ELVC

160,000.00 EUR

+ EU Vat
SOLD

The Piper PA-28 is one of the most well-known and beloved light aircraft on earth, and for good reason! Performance, practicality, and comfort await the lucky owner of this PA-28-181 Archer 3. This 2000 model offers a modern, updated cockpit layout and interior allowing you to travel, or train, with ease.

Our PA-28 Archer 3 offers an engine within calendar time for commercial operations, making it the perfect addition to your flight school fleet. With its IFR-equipped panel and full autopilot, students and renters alike will be delighted to see Victor-Charlie on the ramp.
