

Robinson R44 Raven I YR-MRC

375,000.00 EUR

+ EU Vat
SOLD

Aviation Sales International are proud to present this Robinson R44 Raven 1, built in May 2017 and operated privately since new.

The aircraft has a total of 580 hours since new and presents very well, with all components in sync it has 1620 hours left to run and until May 2029 on the twelve year calendar.

The helicopter sports its unique dark purple and gold paintwork along with cream leather diamond stitched

interior.
Ideal for both commercial or private flying.
The aircraft is currently registered under EASA but we can assist with transfer to any other EASA or FAA registration along with export and ferry flights.
