

## Robinson R44 Raven I

**435,000.00 EUR**

+ EU Vat  
**SOLD**

ASI are proud to present this highly specified Robinson R44 helicopter. The aircraft was supplied factory new in 2018 and has since flown around 640 hours total time with one owner. The interior and exterior is in a perfect shape! The helicopter is fitted with the an Espen EFD1000H, also the avionic includes the GTR225B Com and GTX327. If you are looking for a like new aircraft then look no further. There is no damage history. We are currently in the process of registering the helicopter under the FAA but it would also be possible to have it on an EASA registration.
