

Cirrus SR22 G2 GTS N147GT

307,000.00 EUR

Aviation Sales International is proudly introducing the Cirrus SR22 G2 GTS with a freshly overhauled engine and prop. This aircraft is equipped with a TKS system for anti-icing protection. It features an Avidyne R9 avionics suite with a synthetic display, Avidyne DFC100 autopilot, and QWERTY keypad. Additional avionics include a Garmin GTX330 transponder and Bendix King DME. The CAPS line cutters have been recently serviced, and the aircraft has undergone a fresh annual inspection. This Cirrus SR22 G2 GTS offers high-performance and cutting-edge technology for a superior flying experience.

Visit us in our showroom and get to know more about this beautiful Cirrus!
