

Cirrus SR22T GTS G6

1,129,000.00 EUR

+ EU Vat

ASI are proud to present this pristine Cirrus SR22T built in 2022 and just over a year old and barely run in with just 245 hours since new. The aircraft comes with all the options you would expect from Cirrus as a personal IFR platform that will get you anywhere and in most weather conditions, including FIKI de-icing, airconditioning and the renowned Garmin Perspective+ avionics suite.

Cirrus Extended Warranty until 2024: With the Cirrus extended warranty in place, you can enjoy worry-free flying, knowing that major repair expenses are covered for years to come. This warranty extension not only safeguards your investment but also minimizes maintenance costs. Unparalleled Safety and Performance: Cirrus aircraft are renowned for their cutting-edge safety features and exceptional performance. Whether you're a seasoned pilot or new to Cirrus, you can trust in the aircraft's design and engineering.

Access to Cirrus Embark Transition Training: Transitioning to a new aircraft or seeking to enhance your piloting skills? Take advantage of Cirrus Embark's world-class transition training program. It's a valuable resource that ensures you're fully prepared to operate this aircraft safely and confidently.

This Cirrus aircraft represents the perfect blend of reliability, performance, and training support. Whether you're a private pilot, a business traveler, or an aviation enthusiast, this aircraft is your ticket to elevated flying experiences.

Don't miss out on this opportunity to own a meticulously cared-for Cirrus aircraft with an extended warranty. Contact us today to arrange a viewing and experience the freedom of flight like never before.
