

Aero L-60 Brigadýr

400,000.00 EUR

The Aero L-60 Brigadýr is a rare Czech built STOL aircraft perfect for anyone looking for their first entry into the historic aircraft scene or someone looking for a unique aircraft for farm strip and STOL flying.

Our example is a Slovakian registered aircraft with 684 hours on the engine, a spare engine, original avionics and a historic themed paint scheme.

A perfect aircraft to sit alongside our Yak-52 or on it's own as the centrepiece of your hangar.
