

Beechcraft Baron 55

185,000.00 EUR

SOLD

ASI are proud to offer this outstanding Beechcraft Baron 55. The aircraft has excellent remaining times and is fully equipped for IFR flight with dual Garmin GNS com/nav/gps, autopilot and de-icing. She benefits from a new leather interior fitted in 2019 along with outstanding exterior coachwork and a new windshield. With long range 142USG fuel tanks fitted you have a range of 1,225 miles, enough to get you just about anywhere in Europe. If you are looking for a high speed touring aircraft to move the family around in comfort and with the security of two engines then look no further.
