

Robinson R44 Clipper

275,000.00 EUR

SOLD

This is a fantastic opportunity to get your hands on a well equipped Robinson R44 Clipper that was overhauled in March 2018 and has only flown 170 hours since, with remaining calendar until 2030 and 2030 hours remaining to be flown the aircraft is like new. The original airframe is from 1999 but at overhaul it underwent a full rebuild by HeliAir UK to include new exterior paint and interior. The helicopter has the HeliSAS autopilot and Aspen 1000 glass panel installed along with Apical floats.
