

## Cessna 172 Reams Rocket - Skydive / Glider Tow

**69,000.00 EUR**

SOLD

We are proud to present this high performance Cessna 172 Reams Rocket complete with 210HP Continental engine. The aircraft is in time with the engine being overhauled in 2017 and less than 300 hours flown since, the propeller was new last year. With equipment for towing gliders as well as sky diving door and step included (not shown) it is a real all rounder. If you are looking for a good high performance Cessna then look no further.
