Beechcraft King Air C90B

+ EU Vat
SOLD

We are proud to present this outstanding mid 90's Beechcraft King Air C90B. The aircraft benefits from having extremely low airframe total time with a tad over 3000 hours on her since new in 1993. The aircraft is lovingly maintained and operated on behalf of the current owner under an AOC operation. She boasts stunning exterior coachwork that was new two years ago and in the current Beechcraft design and her interior is in extremely good condition. The aircraft is ready to go to work be it for a private owner or under commercial operations. With seating for eight including the belted toilet and certified for single pilot operations this is a true aircraft that will transport the family in style and safely.
