

Reims Cessna 172N

79,000.00 EUR

+ EU Vat
SOLD

ASI are proud to present this stunning 1977 Cessna 172N in simply outstanding condition both inside and out. The aircraft has been lovingly maintained by its current owner a Part145/CAMO organisation for many years with no expense spared. As a Reims Cessna this aircraft benefits from being factory corrosion proofed. Everything is fully functional and the aircraft has excellent remaining times on the engine and propeller so ideal for a flight school or private owner. In stock in our showroom hanger at EDQN.
