ASI is proud to present this PA46-350P.

Looking for a high-performance aircraft that can take you anywhere you want to go? Look no further than this stunning 1992 Piper PA46 350P Malibu Mirage, now available for purchase.

This aircraft is equipped with a powerful TIO-540-AE2A engine, with only 240 hours since topend overhaul. It is in pristine condition, having been meticulously maintained by experienced professionals throughout its lifetime. With its sleek design and good features, this Malibu Mirage is sure to impress even the most discerning pilots.

The interior of the plane is in a good state, with leather seating and ample storage space for all your gear. With its spacious cabin, you'll have plenty of room to stretch out and relax on those long flights. The cockpit is equally impressive, featuring modern avionics and navigation equipment that make flying a breeze.

But perhaps the best thing about this aircraft is its brand new annual and ARC. That means you can take to the skies with complete confidence, knowing that your plane has been thoroughly inspected and deemed airworthy.

So if you're looking for a fair priced aircraft that offers speed, luxury, and reliability, look no further than this 1992 Piper PA46 350P Malibu Mirage. Contact us today to schedule a viewing or to learn more about this amazing aircraft.
