

## Cessna 150 N6563T

**34,900.00 EUR**

SOLD

Aviation Sales International are proud to present this classic 1960's Cessna 150 strait tail. The aircraft is in lovely condition and is a real head turner with its recent paint and interior. She benefits from a low time engine and propeller and was recently imported from the USA. The annual inspection will be signed off prior to sale so will be ready for the next 12 months flying.
