

Cessna 182H OK-KEM

0.00 EUR

+ EU Vat

ASI are proud to present this lovely Cessna 182H built in 1965 but with many updates over the years, the aircraft has a basic autopilot that is working well along with Garmin GNS 430 as well as long range fuel tanks so ideal for long cross country flights. The exterior paintwork was refreshed a few years ago and the aircraft presents well. If you are looking for a sensible touring aircraft that will take the family then check out this Cessna 182.
