

Cirrus SR22 G3 GTS X Turbo N141GT

385,000.00 EUR

SOLD

ASI are proud to present this stunning Cirrus SR22 G3 GTS X Turbo built in 2007. The aircraft benefits from the Avidyne R9 avionics suite that is a vast improvement on the original earlier system. This aircraft comes complete with lots of extras including TKS de-icing, oxygen, AOA indicator and air conditioning. The propeller was overhauled in November 2019 and the sales price includes a zero time overhauled engine. Always hangared and paintwork is in nearly new condition the interior the same a real credit to the past owners.
