

Cessna TR182 OY-SDT

135,000.00 EUR

SOLD

ASI is proud to present this 1982 Cessna 182 with retractable gear. The aircraft is in good condition both inside and out. The C182 is currently configured for skydiving. All original red leather seats are included. The rear bench seat can be installed using Cessna Parts catalog part #0711665-1 & -2. If desired, you can have the interior reworked according to your own wishes before installation. If you are looking for a dependable airdrop or later converted touring aircraft that has room for the whole family then check out this Cessna 182.
